Skills

Skills: Perform, persuade, sense motive, and recall lore (religious lore).

Religious Knowledge: You have advantage on all Intelligence checks to recall religious lore.

Race: Human

Languages: Common.

Class: Cleric

Armor and Weapon Proficiencies: You are proficient with all armor and shields. You are also proficient with all simple weapons.

Deity: You worship the lifegiver. As a devotee of life, you can foster health and healing in the people you attend.

Disciple of Life: When you cast any of the Lifegiver's domain spells, the spell restores additional hit points equal to 2 + the spell's level.

Spellcasting: You can prepare up to two spells per day beyond those granted by your domain. You have two 1st-level spell slots that you can use to cast 1st-level spells you've prepared.

Spell Preparation: You must prepare your spells before casting them. You prepare spells by choosing spells from the cleric spell list. Preparing your spells requires time spent in prayer and meditation: at least one minute per spell level for each spell you prepare.

Casting a Spell: When you cast a spell, choose one of your prepared spells and use a spell slot of that spell's level or higher. After you cast the spell, you lose the use of that slot until you prepare spells again, but you still have the spell prepared.

You can use your spell slots to cast any combination of spells you have prepared, as long as you respect the limit on spells you can cast of a specific level. For example, if you have *bless* and *cure light wounds* prepared and have two 1st-level spell slots available, you can cast each spell once or cast one of those spells twice.

Rituals: You can cast any spell you have prepared as a ritual, provided that the spell has a ritual version.

Saving Throw DCs: When a cleric spell that you cast calls for a saving throw, the save DC equals 14.

Channel Divinity: You can channel divinity once per day. Your deity choice determines how you can channel divinity.

When you channel divinity, you choose an option granted by your deity and gain its benefits.

Positive Energy Burst: As an action, you can expend one of your uses of channel divinity to send a burst of positive energy into a living creature. Choose a living creature within 30 feet of you. That creature regains 2d10 hit points.

Spiritual Vestment: When you take damage, you can expend a use of your channel divinity as a reaction. When you do so, reduce the damage you take by 15.

Turn Undead: As an action, you can expend one of your uses of channel divinity to channel positive energy. When you do so, each undead creature within 30 feet of you that has hit points equal to or less than twice your cleric level is destroyed.

Each remaining undead creature within 30 feet of you that has hit points equal to or less than five times your cleric level is turned. A turned creature is affected for 1 minute or until it takes damage from an attack or a spell. It must spend its turns trying to get as far away from you as it can. It cannot willingly move within 30 feet of you (unless there is nowhere else it can move), it cannot take reactions, and it can use its actions only to hustle or to try to escape from an effect that prevents it from moving.

Spells

Cantrips: You know the *sacred flame* and *spare the dying* cantrips.

Domain Spell: You are always considered to have the *cure wounds* spell prepared.

Spell List: You can choose to prepare spells from the following 1st-level cleric spell list.

While near your temple, you can call upon acolytes and fellow priests for assistance, provided the assistance you ask for is not hazardous and you remain in good standing with your temple.

Additionally, when you are in a location that has a temple, shrine, or other presence of your faith, you can expect to receive free healing, care, and religious services for yourself and your adventuring companions from others aligned with your faith.

Spells for Pre-Generated Cleric Character

Bless

1st-level conjuration

You bestow a blessing on your companions, giving them the heart to face their present trial.

Casting Time: 1 action

Range: 25 feet

Duration: Concentration, up to 10 minutes

Effect: Choose any number of creatures within range that are not already affected by this spell. Whenever a target makes an attack roll or a saving throw before the spell ends, it can add a d4 to the result.

Command

1st-level enchantment

You channel supernatural authority to compel a creature into obedience.

Casting Time: 1 action

Range: 50 feet

Effect: You speak a one-word command to a living creature within range. It must succeed on a Wisdom saving throw or follow the command on its next turn, unless the creature doesn't understand it.

Some typical commands and their effects follow. You might issue a command other than one described here. If you do so, the DM determines how the target behaves. If the target is prevented from following the command issued to it, the spell ends.

Approach: The target moves toward you by the shortest and most direct route, ending its turn if it moves within 5 feet of you.

Drop: The target drops whatever it is holding and then ends its turn.

Flee: The target spends its turn moving away from you by the fastest available means.

Halt: The target does not move and takes no actions. A flying creature stays aloft, provided it is able to do so.
