Skills

Skills: Administer first aid, listen, perform, persuade, sense motive, and recall lore (religious lore).

Religious Knowledge: You have advantage on all Intelligence checks to recall religious lore.

Race: Human

Languages: Common.

Class: Cleric

Armor and Weapon Proficiencies: You are proficient with all armor and shields. You are also proficient with all simple weapons.

Deity: You worship the lifegiver. As a devotee of life, you can foster health and healing in the people you attend.

Disciple of Life: When you cast any of the Lifegiver's domain spells, the spell restores additional hit points equal to 2 + the spell's level.

Spellcasting: You can prepare up to five spells per day beyond those granted by your domain. You have three 1st-level spell slots that you can use to cast 1st-level spells you've prepared, and two 2nd-level spell slots that you can use to cast 2nd-level spells you've prepared.

Spell Preparation: You must prepare your spells before casting them. You prepare spells by choosing spells from the cleric spell list. Preparing

your spells requires time spent in prayer and meditation: at least one minute per spell level for each spell you prepare.

Casting a Spell: When you cast a spell, choose one of your prepared spells and use a spell slot of that spell's level or higher. After you cast the spell, you lose the use of that slot until you prepare spells again, but you still have the spell prepared.

You can use your spell slots to cast any combination of spells you have prepared, as long as you respect the limit on spells you can cast of a specific level. For example, if you have *bleed* and *cure light wounds* prepared and have two 1st-level spell slots available, you can cast each spell once or cast one of those spells twice.

Rituals: You can cast any spell you have prepared as a ritual, provided that the spell has a ritual version.

Saving Throw DCs: When a cleric spell that you cast calls for a saving throw, the save DC equals 15.

Channel Divinity: You can channel divinity twice per day. Your deity choice determines how you can channel divinity.

When you channel divinity, you choose an option granted by your deity and gain its benefits.

Positive Energy Burst: As an action, you can expend one of your uses of channel divinity to send a burst of positive energy into a living creature. Choose a living creature within 30 feet of you. That creature regains 2d10 hit points.

Spiritual Vestment: When you take damage, you can expend a use of your channel divinity as a reaction. When you do so, reduce the damage you take by 15.

Turn Undead: As an action, you can expend one of your uses of channel divinity to channel positive energy. When you do so, each undead creature within 30 feet of you that has hit points equal to or less than twice your cleric level is destroyed.

Each remaining undead creature within 30 feet of you that has hit points equal to or less than five times your cleric level is turned. A turned creature is affected for 1 minute or until it takes damage from an attack or a spell. It must spend its turns trying to get as far away from you as it can. It cannot willingly move within 30 feet of you (unless there is nowhere else it can move), it cannot take

reactions, and it can use its actions only to hustle or to try to escape from an effect that prevents it from moving.

Spells

Cantrips: You know the *sacred flame* and *spare the dying* cantrips.

Domain Spell: You are always considered to have the *cure wounds* spell prepared.

Spell List: You can choose to prepare spells from the following cleric spell list.

Background: Priest

Temple Services: You belong to a specific temple dedicated to your chosen power. You have a residence there, and you can perform religious ceremonies and offer sermons drawn from the sacred teachings of your faith. While near your temple, you can call upon acolytes and fellow priests for assistance, provided the assistance you ask for is not hazardous and you remain in good standing with your temple.

Additionally, when you are in a location that has a temple, shrine, or other presence of your faith, you can expect to receive free healing, care, and religious services for yourself and your adventuring companions from others aligned with your faith.

Equipment

Chain mail, shield, mace, two holy symbols, two flasks of holy water, ink, ink pen, paper (ten sheets), vestments, a belt pouch containing 17 gp, 8 sp, and 8 cp, and an adventurer's kit consisting of a backpack, a healer's kit, a mess kit, 50 feet of hempen rope, a tinderbox, ten torches, ten days of rations, and a waterskin

Spells for Pre-Generated Cleric Character

Aid

2nd-level enchantment

The *aid* spell invests its recipients with toughness and resolve.

Casting Time: 1 action

Range: 10 feet

Duration: 8 hours

Effect: Choose up to three creatures within range that are not currently affected by this spell. Each target's hit point maximum and current hit points increase by 5 for the duration.

Augury

2nd-level divination (ritual)

By casting gem-inlaid sticks, dragon bones, or using some other divining tool, you consult with spirits to learn whether an effort in the immediate future will be beneficial or harmful to you and your companions.

Casting Time: 1 minute

Range: Self

Duration: Instantaneous

Effect: Describe a course of action that you plan to take within the next 30 minutes. You receive an answer from an otherworldly entity about the results of that course of action. The DM chooses from the following possible answers:

- *Weal*, for good results
- *Woe*, for bad results
- *Weal and woe*, for both good and bad results
- *Nothing*, for results that are not especially good or bad

The spell does not take into account any possible circumstances that might change the outcome, such as the casting of additional spells or the loss or gain of a companion.

If you cast the spell two or more times before completing your next long rest, there is a 25 percent chance on each casting after the first that you get a false reading. The DM makes this roll in secret.

Material Components: Specially marked sticks, bones, or similar tokens worth at least 25 gp, which are not consumed by the spell.

Bless

1st-level conjuration

You bestow a blessing on your companions, giving them the heart to face their present trial.

Casting Time: 1 action

Range: 25 feet

Duration: Concentration, up to 10 minutes

Effect: Choose any number of creatures within range that are not already affected by this spell. Whenever a target makes an attack roll or a saving throw before the spell ends, it can add a d4 to the result.

Command

1st-level enchantment

You channel supernatural authority to compel a creature into obedience.

Casting Time: 1 action

Range: 50 feet

Duration: 1 round

Effect: You speak a one-word command to a living creature within range. It must succeed on a Wisdom saving throw or follow the command on its next turn, unless the creature doesn't understand it.

Some typical commands and their effects follow. You might issue a command other than one described here. If you do so, the DM determines how the target behaves. If the target is prevented from following the command issued to it, the spell ends.

Approach: The target moves toward you by the shortest and most direct route, ending its turn if it moves within 5 feet of you.

Drop: The target drops whatever it is holding and then ends its turn.

Flee: The target spends its turn moving away from you by the fastest available means.

Grovel: The target falls prone and then ends its turn.

Halt: The target does not move and takes no actions. A flying creature stays aloft, provided it is able to do so.

Create or Destroy Water

1st-level transmutation

Water condenses out of the air at a point you choose, falling like rain. Or water evaporates at your command.

Casting Time: 1 action

Range: 25 feet

Duration: Instantaneous

Effect: You either create or destroy water.

Create Water: You create up to 2 gallons of clean water within range in an open container.

Alternatively, the water falls as rain in a 25-foot cube within range, extinguishing exposed flames in the area.

The spell produces enough drinkable water to sustain one Small or Medium creature for 24 hours.

Destroy Water: You destroy up to 2 gallons of water in an open container within range.

Alternatively, you destroy fog in a 25-foot cube within range.

At Higher Levels: When you cast this spell using a spell slot of 2nd level or higher, you create or destroy 2 additional gallons of water for each level above 1st.

Material Components: A drop of water if creating water or a few grains of sand if destroying it.

Cure Wounds

1st-level conjuration

You channel positive energy into an injured creature to mend its wounds.

Casting Time: 1 action

Range: Touch

Duration: Instantaneous

Effect: You touch a living creature, and that creature regains 2d8 + 2 hit points.

At Higher Levels: When you cast this spell using a spell slot of 2nd level or higher, the healing increases by 2d8 for each level above 1st.

Detect Good and Evil

1st-level divination (ritual)

Your spell allows you to perceive strong concentrations of good or evil, as well as creatures formed by them.

Casting Time: 1 action

Range: Self

Duration: Concentration, up to 10 minutes

Effect: For the duration, you detect the presence of any celestial, fiend, or undead creature within 25 feet of you, and such creatures cannot become hidden from you. Within the same radius, you detect the presence of any place or object that has been consecrated or desecrated by magic.

The spell can penetrate most barriers, but it is blocked by 1 foot of stone, 1 inch of common metal, a thin sheet of lead, or 3 feet of wood or dirt.

Detect Magic

1st-level divination (ritual)

Upon casting *detect magic*, you sense any magic in the area. Studying the auras can give you clues to the nature of the magic.

Casting Time: 1 action

Range: Self

Duration: Concentration, up to 10 minutes

Effect: For the duration, you sense the presence of magic within 25 feet of you. If you sense magic, you can use your action to see a faint aura around any creature or object in the area that bears magic, and you learn its school of magic, if any.

The spell can penetrate most barriers, but it is blocked by 1 foot of stone, 1 inch of common metal, a thin sheet of lead, or 3 feet of wood or dirt.

Detect Poison and Disease

1st-level divination (ritual)

You cast a spell that allows you to perceive the least hint of poison, venom, disease, and similar toxins and contagions, such as those that are secreted by a beast or applied to an assassin's blade.

Casting Time: 1 action

Range: Self

Duration: Concentration, up to 10 minutes

Effect: For the duration, if there is poison, a poisonous creature, or a disease within 25 feet of you, you know it, where the source of the poison or disease is, and what kind of poison, poisonous creature, or disease is present.

The spell can penetrate most barriers, but it is blocked by 1 foot of stone, 1 inch of common metal, a thin sheet of lead, or 3 feet of wood or dirt.

Gentle Repose

2nd-level necromancy (ritual)

A gleaming rune appears on the forehead of the corpse you touch. The rune repels death and ensures that no foul magic can corrupt it and no time can rot it.

Casting Time: 1 action

Range: 5 feet

Duration: 7 days

Effect: Choose a corpse or other remains within range. For the duration, the target is protected from decay and cannot become an undead creature.

The spell also effectively extends the time limit on raising the target from the dead, since days spent under the influence of this spell don't count against the time limit of spells such as *raise dead*.

Material Components: A pinch of salt and one copper piece for each eye the corpse has or had.

Healing Word

1st-level conjuration

You call out a single word of restoration.

Casting Time: Swift

Range: 50 feet

Duration: Instantaneous

Effect: Choose a living creature within range. It regains 1d8 + 2 hit points.

At Higher Levels: When you cast this spell using a spell slot of 2nd level or higher, the hit points regained increase by 1d8 for each level above 1st.

Hold Person

2nd-level enchantment

Focusing on a small, straight piece of iron, you draw forth its properties and impose them on a creature you can see. Until the creature breaks

free, it becomes like the iron, stiff and inert, frozen in place.

Casting Time: 1 action

Range: 100 feet

Duration: Concentration, up to 1 minute

Effect: Choose a living humanoid within range that you can see. The target must succeed on a Wisdom saving throw or be paralyzed for the duration.

At the end of each of its turns, the affected target can make another saving throw. On a success, the spell ends.

Material Components: A small, straight piece of iron.

Inflict Wounds

1st-level necromancy

The negative energy that you channel instantly saps life from a living creature.

Casting Time: 1 action

Range: 25 feet

Duration: Instantaneous

Effect: Choose a living creature within range that you can see. It must make a Constitution saving throw. It takes 3d8 necrotic damage on a failed save, and half as much damage on a successful one.

At Higher Levels: When you cast this spell using a spell slot of 2nd level or higher, the damage increases by 1d8 for each level above 1st.

Lesser Restoration

2nd-level conjuration

You restore a creature to its full ability by ending an effect that impairs it.

Casting Time: 1 action

Range: Touch

Duration: Instantaneous

Effect: You touch a creature and choose one of the following effects.

Remove Blindness or Deafness: If the creature is blinded or deafened, choose one of those conditions and end it.

Remove Disease: If the creature is suffering from any diseases, the most virulent one is cured.

Remove Paralysis: If the creature is subjected to any paralyzing effects, choose one of them and end it.

Prayer of Healing

2nd-level conjuration

You pray for the blessing of health to mend the wounds of several injured creatures at once.

Casting Time: 10 minutes

Range: 25 feet

Duration: Instantaneous

Effect: Up to six living creatures of your choice within range each regain 1d8 + 6 hit points.

At Higher Levels: When you cast this spell using a spell slot of 3rd level or higher, the healing increases by 1d8 for each level above 2nd.

Protection from Evil

1st-level abjuration

With incense and sprinkled holy water, you ward your subject against evil spirits and influences.

Casting Time: 1 action

Range: Touch

Duration: 1 minute

Effect: You touch a willing creature. Until the spell ends, that creature has advantage on saving throws against effects created by fiends and undead, and cannot be charmed or frightened by such creatures.

Material Components: Holy water and incense.

Purify Food and Drink

1st-level transmutation (ritual)

Your incantation purifies spoiled, poisonous, or otherwise contaminated food and water, making it suitable for consumption.

Casting Time: 1 action

Range: 10 feet

Duration: Instantaneous

Effect: Choose a point within range. All nonmagical food and drink within a 5-foot-radius cloud centered on that point is purified and rendered toxin and disease free.

Protection from Poison

2nd-level abjuration

With a mystic utterance and a touch, you drive poison out of a creature and guard it from other toxins.

Casting Time: 1 action

Range: Touch

Duration: 1 hour

Effect: You touch a creature. If it is poisoned, you neutralize the poison. If more than one poison afflicts the target, you neutralize one poison that you know is present, or you neutralize one at random.

For the duration, the target has advantage on saving throws against poison, and it has resistance against poison damage.

Sacred Flame

Evocation cantrip

Tongues of flame-like radiance descend from above, searing your enemy.

Casting Time: 1 action

Range: 25 feet

Duration: Instantaneous

Effect: Choose a creature within range that you can see. Gaining no benefit from cover, the target must succeed on a Dexterity saving throw or take 1d8 radiant damage.

At Higher Levels: The spell's damage increases by 1d8 when you reach a caster level of 5th (2d8), 10th (3d8), 15th (4d8), and 20th (5d8).

Sanctuary

1st-level abjuration

Healers sometimes cast *sanctuary* on themselves so they can cast curative spells without the risk of interference from their foes. The spell is also useful for keeping an important person safe while a battle rages.

Casting Time: Swift

Range: 25 feet

Duration: 1 minute

Effect: Choose a creature within range. Until the spell ends, anyone who targets that creature with an attack or a harmful spell must first make a Wisdom saving throw. On a failed save, it must choose a new target or lose the attack or spell. *Sanctuary* doesn't protect the chosen creature from area effects, such as the explosion of a *fireball*.

If the chosen creature makes an attack or casts a harmful spell, this spell ends early.

Shield of Faith

1st-level abjuration

You call out a prayer to protect an imperiled ally. A shimmering field surrounds and shields your target, helping to deflect attacks.

Casting Time: Swift

Range: 50 feet

Duration: Concentration, up to 10 minutes

Effect: Choose a creature within range. That creature gains a +1 bonus to AC. The bonus lasts for the duration.

Material Components: A small parchment with a bit of holy text written on it.

Silence

2nd-level illusion (ritual)

When you complete this spell, all sound is stopped in an area. No noise whatsoever issues from, passes through, or enters it. This spell is extremely effective against spellcasters, since they must be able to speak to cast their spells.

Casting Time: 1 action

Range: 100 feet

Duration: Concentration, up to 10 minutes

Effect: Choose a point within range. No sound can be created within or pass through a 20-foot-radius sphere centered on that point for the duration. Creatures within the area of silence are deafened.

Spare the Dying

Conjuration cantrip

Your intervention pulls a dying creature from the brink of death.

Casting Time: Swift

Range: Touch

Duration: Instantaneous

Effect: Touch a living creature that has 0 hit points. The creature regains 1 hit point.

Spiritual Weapon

2nd-level evocation

Calling out for aid from your divine patron, you evoke magical force in the shape of a glowing weapon to smash your foes. The weapon created is typically a hammer, though it can take whatever form you choose.

Casting Time: 1 action

Range: 50 feet

Duration: 1 minute

Effect: You create a floating, spectral weapon within range that lasts for the duration or until you cast this spell again. When you cast the spell, the weapon makes an attack against a creature within 5 feet of it. The weapon has a +5 bonus to hit. On a hit, the target takes 1d8 force damage.

As part of your action on any turn until the spell ends, you can move the weapon up to 20 feet and repeat the attack against a creature within 5 feet of it.

At Higher Levels: When you cast this spell using a spell slot of 3rd level or higher, the damage increases by 1 for each level above 2nd.

Zone of Truth

2nd-level enchantment (ritual)

You create a magical zone that guards against deception. Creatures affected by the zone's magic cannot knowingly speak a lie.

Casting Time: 1 action

Range: 50 feet

Duration: 1 minute

Effect: Choose a point within range. Until the spell ends, any creature that enters a 15-foot radius centered on that point or that starts its turn there must make a Charisma saving throw. On a failed save, a creature cannot speak a deliberate lie while in the radius.

An affected creature is aware of the spell and may thus avoid answering questions to which it would normally respond with a lie. Such a creature can be evasive in its answers as long as it remains within the boundaries of the truth.
