**Menacing.** You have advantage on all Charisma checks to intimidate.

**Proficiencies.** You have proficiency with all weapons, light armors, medium armors, and shields. You are also proficient in riding.

Rage (2/day). On your turn, you can enter a rage as part of your action or move. While raging, you gain the following benefits:

- You have advantage on Strength-based attack rolls, checks, and saving throws.
- You gain a +2 bonus to melee damage rolls.
- You have resistance to bludgeoning, piercing, and slashing damage

Raging also has drawbacks. During it, you can't take reactions, except to make opportunity attacks.

Your rage lasts for 1 minute. It ends early if you end your turn and didn't attack an enemy creature during it.

Once you have reached the limit of your rages per day, you must complete a long rest before you can rage again.

**Reckless Attack.** When you aren't raging, you can grant yourself advantage on melee attack rolls during your turn. If you do so, attack rolls against you have advantage until your next turn.
